

LQC Evaluation Survey Responses 1 January – 31 March 2016

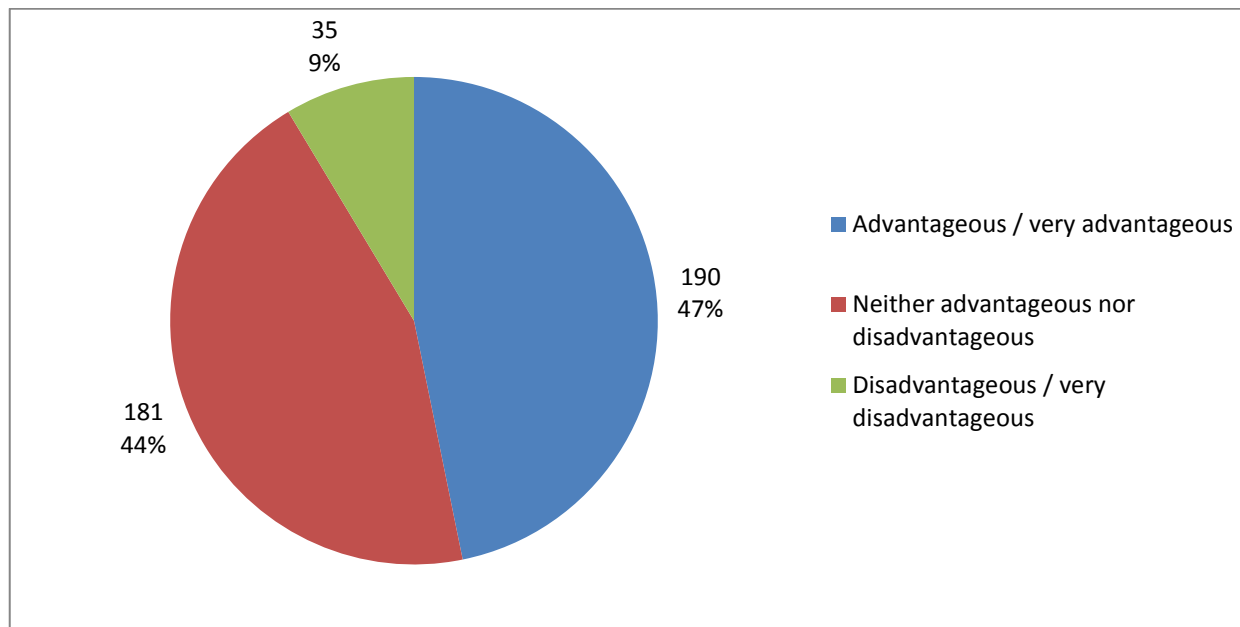

Where the doctor was unrepresented, to what extent do you agree or disagree that the tribunal process was clearly explained to them, and that any questions were dealt with appropriately?

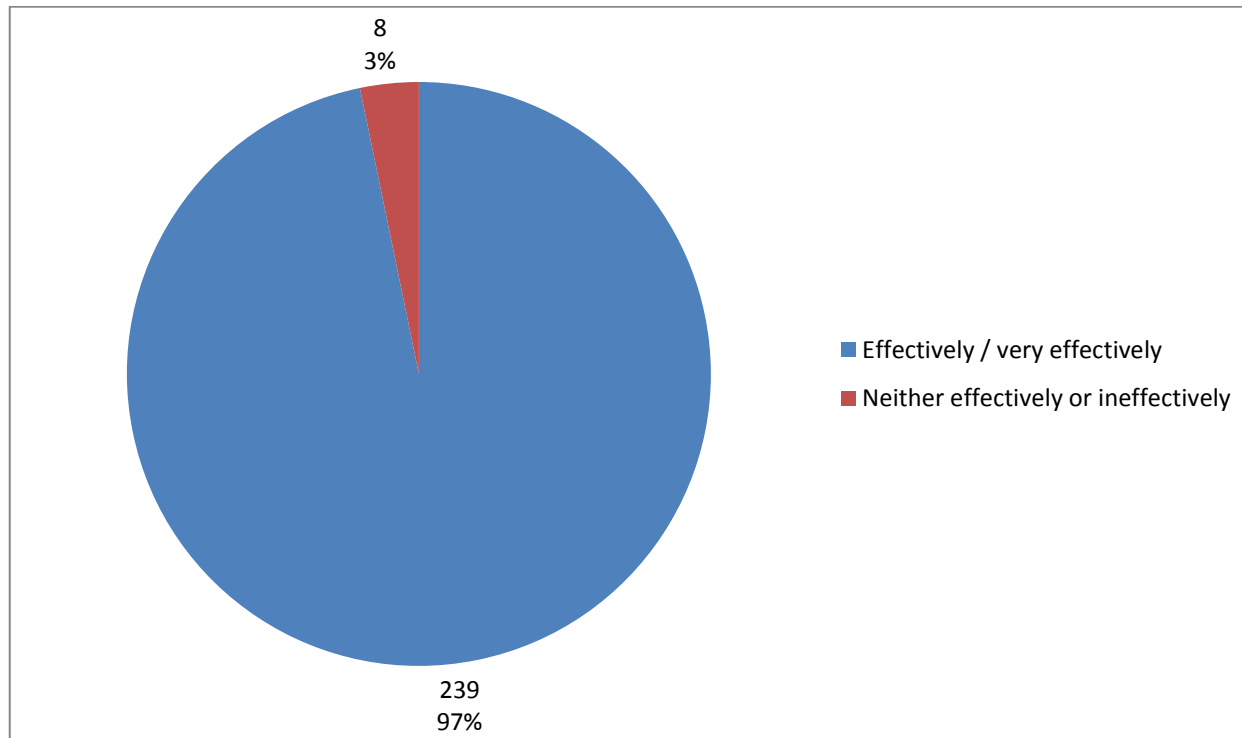

To what extent do you agree that time management of the hearing was effective?

Overall, how did you find chairing / the tribunal being chaired by an LQC to be?

How effectively do you feel the tribunal worked together?

Did the LQC advise on any questions of law as evidence or procedure during the hearing?
